DEED RECORD

Deed Book "A" - p 1 & 2 - Steubenville, Jefferson Co., Ohio.

THE UNITED STATES TO EPHRAIM KIMBERLY.

In the name of the United States of America, To all to whom these presents shall come:- Whereas in pursuance of an Act of Congress passed on the 18th day of April in the year of our Lord one thousand seven hundred and ninety-four, entitled "An Act to authorize Ephraim Kimberly to locate the land warrant issued to him for services in the late American army" permission was granted to the said Ephraim Kimberly then and still resident on the west bank of the Ohio to locate the land warrant issued to him for three hundred acres of land for his services in the late American army. So as to include the land where he resides or as convenient thereto as may be, provided he does not interfere with any existing claim, location or survey; And whereas the said Ephraim Kimberly has procured the said land to be surveyed by Absolom Martin in the manner by me directly from the return of which survey it appears that the said land is comprehended and contained within the following described lines and bounded that it is to say:-

"Beginning on the said Ohio River at a Sycamore tree four feet in diameter standing on the west side of the said River, thence up the said River the several courses thereof, that is to say, north 43 degrees east 6 chains to the mouth of Indian Short Creek, thence north $37\frac{1}{2}$ degrees, east 3 chains to the north bank of said creek, thence north 34 degrees east 5 chains and 50 links, thence north 44 degrees east 5 chains and 50 links; thence north 36 degrees east 5 chains and 50 links, thence north 33 degrees east 3 chains, thence north 29 degrees and $\frac{3}{4}$ east 4 chains and 50 links, thence north 32 degrees and $\frac{1}{2}$ east 12 chains thence north 32 degrees and $\frac{1}{2}$ east 12 chains thence north 27 degrees east 5 chains"... "thence north 32 degrees east 5 chains".... "east 5 chains, East 12, thence north 28 and $\frac{1}{2}$ east, 8 chains, thence north 25 east, 5 chains to a sugar tree 29 inches in diameter and marked on the southwest and north sides with 3 notches, thence west 35 chains to a sugar tree 20 inches in diameter and marked on the east and southwest sides with 2 notches, thence south 50 & 89 chains to a stone marked "E.K." thence east 66 chains to the sycamore at the beginning which is marked on the west and north sides with 2 notches, containing 300 acres.

And whereas by the oath of Absolom Martin it appears that the said land is situate in the 4th twp. of the 2nd range and that the location of the said warrant does not interfere with any existing claim, location or survey, And whereas the Secretary of the Treasury has certified to me that the said Ephraim Kimberly has returned his said Warrant into the Treasury of the United States; Now know Ye that I, George Washington, President of the said United States by virtue of the above recited Act do hereby grant and convey unto the said Ephraim Kimberly the said tract

of land containing 300 acres as the same is ascertained and described by the location and survey aforesaid, excepting and reserving to the said United States one third part of all gold, silver, lead and copper mined within the same for future sake and disposition.

To Have and to Hold the same to the said Ephraim Kimberly his heirs and assigns forever.

In testimony whereof I have caused these letters to be made patent and the Seal of the United States to be hereunto affixed.

Given under my hand at the City of Philadelphia the 8th of June in the year of our Lord one thousand seven hundred and ninety-five (1795) and of the Independence of the United States of America the nineteenth.
